## MONDAY, FEB 27, 2017 DAY 8

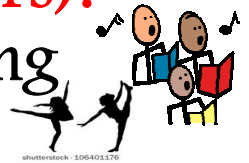

Good Morning PCHS,

Here is your **Green Team** Tip of the week, brought to you by the **PCHS Green Team!** Batteries can cause serious harm to human health and the environment when disposed of with municipal solid waste. Many companies and retailers will take your old batteries and properly dispose of them or have them recycled.

Each step we take brings us closer to a healthier and cleaner environment.
