Halo Run

A silhouette of a runner in mid-stride, captured against a sunset sky. The runner is positioned in the center-right of the frame, with their right leg forward and left leg back, arms pumping. The background shows a horizon line with a low sun, creating a gradient from dark blue at the top to orange and yellow near the horizon. A thin vertical pole is visible on the right side of the image.

If you are interested in participating in the Halo Run, please join the google classroom or speak with Ms. Binnie, Ms. Crosbie or Mr. Navarette. Here is the class code:
