A vibrant night scene of a Disney castle, illuminated with blue and purple lights. A large, glowing blue arc is positioned above the castle. A white notification bubble with a red bell icon is centered over the castle. The word "Disney" is written in its signature script font on the left side of the image. A stream of colorful stars falls from the top right corner. The foreground shows a wet, reflective plaza with streetlights and trees.

LET TOXICO KNOW YOUR INTERESTS!

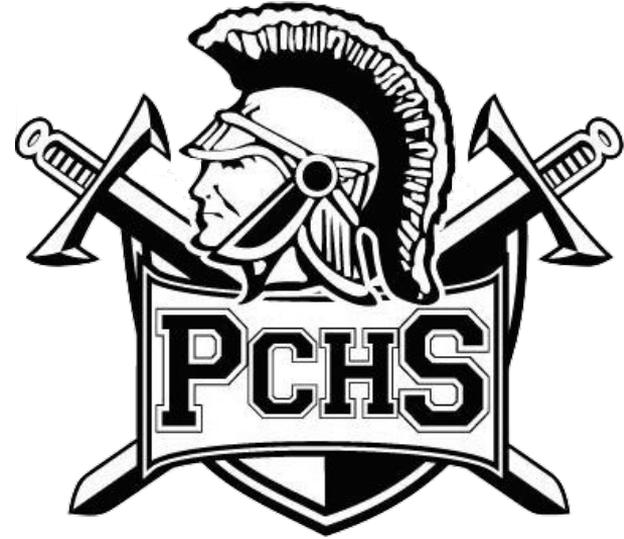

A stylized illustration of a person's head and shoulders, rendered in a simple, sketchy style. The person is wearing a white shirt. Surrounding the person are several icons representing different substances and behaviors: a smartphone, a syringe, a marijuana leaf, a bottle of alcohol, a razor with a drop of blood, a mug of beer, and a pair of glasses.

Toxico does Kiosks to help with student engagement, and knowledge about different addictions related matters. So, I want to know what interests the PCHS students!
