### **PCHS clothing**

In order to process orders for PCHS gear (PE t-shirts etc) we have created an online order form. We ask that students (with parental guidance) complete the order form as they will need to sign in using their lbpearson email address. When orders have been placed, the clothing will be prepared and you will be informed when and where you child should bring their payment to collect their order.

- Breakfast will be served in each grade levels "zone".
- All items are individually packaged and placed in a brown paper bag.
- You can simply grab your bag and sit down to enjoy your breakfast.

### **PCHS Parent AGA**

The Parent AGA will be held virtually on Thursday September 17<sup>th</sup> at 7:00pm. A separate message will be sent to parents regarding the registration, nomination and voting process.

### **Health Check**

I ask that parents continue to do a daily health check in with your child. Please continue to verify any Covid-19 like symptoms [PARENT HEALTH GUIDE](#) and refrain from sending your child to school if they show symptoms. We have procedures in place at PCHS to manage students who are feeling unwell, it is important that students report symptoms to any adult in the building. If you are unsure about whether to send your child to school please contact us and refer to the Covid Info line at (514) 644-4545 who will inform you of the steps to follow.

I have been satisfied with the level of responsibility our students have shown by wearing their face coverings. I would ask that you continue to remind your child of the importance of wearing their face covering, of washing their hands and maintaining social distancing both inside and outside the building. Admin will be visiting classes to reinforce the organizational plans and rules we have put in place to ensure students stay safe around the building.

Regards,

Nick Hayter
