Lockers

We are in the process of planning locker distribution to students, we hope to assign lockers to groups in the upcoming weeks. This would provide a space for jackets and winter boots, bags and school materials would remain in the classroom as students will not have access to lockers during class time.

Covid symptoms and attendance

If your child is demonstrating Covid like symptoms they are expected to remain at home, [PARENT GUIDE](#). Parents are expected to consult the COVID line 1-877-644-4545 and follow the health professionals directions regarding monitoring, isolation and testing.

If your child tests positive for Covid-19 it is essential that you immediately contact the school. If you receive results at the weekend or evening please email me at nhayter@lbpsb.qc.ca I will then follow the protocol of contacting Public Health and if necessary close a classroom bubble.

We have closed several classroom bubbles during the last month, we have appreciated the cooperation and understanding parents have shown. We have not received reports of secondary infection due to exposure at PCHS.

Cross Country Run

A large number of our students participated in the GMAA cross country run in October. Last week we recognized some of the best performances in each grade level with some prizes, many of our top runners placed first, second or third in the GMAA for their grade level.

Dress Code

The large majority of our students have been respecting the school dress code which has impressed me since joining PCHS. I ask that you review the dress code (which can be found in the student agenda) with your child. I consider school their place of work and expect a certain standard of dress, this does not include ripped clothing nor wearing hoods or hats inside the building.

Academic Support Programs

We have completed our first week of the Academic Support Programs. Students must be recommended by their teacher in order to participate in these free after school support programs.

Student of the Month Awards

We will be recognizing our students success through PCHS Student of the Month Awards, we wish to celebrate the effort and achievement of our students. Teachers will have the opportunity to nominate students each month in their subject areas, award winners will be presented with certificates, parent letters and have the chance to win some prizes.
