

How SYNC Works with OverDrive

1. Sign up for [SYNC alerts](#) via email or text.
2. [Install OverDrive's app](#) or desktop software on your mobile device or computer.
3. When you are alerted new audiobooks are available, visit <http://audiobooksync.com/>.
4. At SYNC, you can see the current selections. Click the audiobook you want to download, enter your email address and click download.
5. Downloaded audiobooks will open automatically in OverDrive's app or desktop software. You're all set to go!
