

## PCHS MISSION

Pierrefonds Community High School is dedicated to the academic education and overall development of inquiring, knowledgeable and caring young adults. With the efforts of the staff and students, and support of our parents and community, PCHS will:

- Prepare students for future educational and/or occupational endeavors.
- Instill in students a respect and understanding of other individuals and cultures.
- Create a safe environment that promotes cooperation, pride, tolerance, common courtesy, self-confidence, social responsibility, and environmental awareness.
- Provide educational opportunities that challenge students to fulfill their potential and result in age-appropriate literacy, problem-solving capabilities, and media literacy.
- Develop students in a functional fluency in English and French.
- Ensure that all students are supported in their efforts to develop perseverance, punctuality, study skills, and consistency of efforts.
- Help balance the student experience through participation in creative and performing arts, athletics and school life.

In these ways, PCHS seeks to foster active and lifelong learning in all members of the school community.
