

January 21st – February 1st : Mid-year exam schedule

Below you will find the mid-year exam schedule. Please look closely at the grade levels that will be writing during the exam blocks. Subjects that do not appear on this schedule may be writing in-class exams.

Also, please note that if your child does not have an exam scheduled, regular classes will be held. Exams will be held within the regular classroom day, therefore all students are expected to attend school during the entire day.

If your child misses an exam, they must return to school with a doctor's note confirming their absence.

January 21st	January 22nd	January 23rd	January 24th	January 25th
